YCEE – TITLE PAGE INSTRUCTIONS

Youth in Central and Eastern Europe (YCEE)

YCEE uses a double-blind peer review process. All identifying information must appear **ONLY** on the Title Page and must **NOT** be included in the anonymous manuscript submitted for review.

1. Title of the Manuscript

Full title and (optional) short running title.

2. Author Information

For each author provide: full name, affiliation, department, country, ORCID iD and e-mail.

3. Corresponding Author

Indicate the corresponding author and provide contact e-mail.

4. Author Contributions

Describe contributions using the CRediT taxonomy (recommended).

5. Funding

State the funding source or write: 'The authors received no external funding.'

6. Institutional Review Board Statement

Provide ethics approval details or write 'Not applicable'.

7. Informed Consent Statement

If applicable; otherwise write 'Not applicable'.

8. Data Availability Statement

State where the research data can be accessed.

9. Conflict of Interest

Example: 'The authors declare no conflict of interest.'

10. Acknowledgements

Include acknowledgements **ONLY** on the Title Page.

11. AI Use Disclosure

State whether generative AI tools were used during manuscript preparation.

Important

The anonymous manuscript must NOT contain author names, affiliations, ORCID IDs, e-mail addresses, acknowledgements, funding information identifying the authors, or any other identifying information. The Title Page is used exclusively by the Editorial Office and is not sent to reviewers.
